Staff Present: Terry Hickey and Hannah Roberts

Agenda

I. Welcome and review agenda

At 9:03am, Tina Hike-Hubbard welcomed the workgroup members to the meeting and reviewed the agenda.

II. Review Timeline and Stakeholder Meetings

The workgroup reviewed key takeaways from the meeting with Mayor Pugh and Peter Hammen held on May 13th. Representatives from the workgroup met with the Mayor to provide updates on the workgroup's progress and provide an overview of high-level priorities identified by the workgroup.

III. Approve meeting minutes [6/1/17]

Tina Hike-Hubbard introduced the minutes from the meeting held on June 1st, 2017. Kevin Lindamood motioned for approval, seconded by Damien Haussling, and unanimously approved by all workgroup members present.

IV. Review Template and Revise Draft Report

Hannah Roberts provided an overview of materials available to workgroup members, including a full compilation of all public comments and stakeholder meeting notes. Ingrid Lofgren provided an overview and key takeaways from her stakeholder meeting with the Continuum of Care's Consumer Advisory Workgroup. She highlighted the importance of identifying safe and affordable housing options for households exiting homelessness.

Hannah Roberts introduced the revised draft of the recommendations and explained the document and various formatting options. The workgroup decided on a formatting style that would focus on context, related activities, and specific recommendations to the Mayor.

The workgroup focused on sections of detailed recommendations related to affordable and permanent housing solutions, emergency and crisis services, system performance and operations, and resource development and alignment. The workgroup reviewed content in each area and suggested revisions.

V. Next steps

The workgroup reviewed plans to hold a final meeting on June 29th. Prior to that meeting, workgroup members will submit additional content and comments and a revised version of the recommendations will be developed.

VI. Public Comment - 10 minutes

The workgroup accepted public comments from one individual and adjourned the meeting at 11:00am.
