1. Describe the experience of the applicant and potential subrecipients (if any), in effectively utilizing federal funds and performing the activities proposed in the application, given funding and time limitations.

The Mayor's Office of Human Services - Homeless Services Program (MOHS-HSP) manages over \$32 million in federal, state, and local homeless services and HOPWA funding each year to over 100 projects. MOHS-HSP has successfully implemented over 40 CoC-funded permanent supportive housing projects, achieving an average housing stability rate of 97 percent and maintaining a 96 percent utilization rate.

Founded in 1923, Catholic Charities is the leading private provider of human services in Maryland. By assisting all people without regard to race, color, gender, age, abilities, immigration status, or religious beliefs, we have earned a reputation for compassionate care and support. Catholic Charities serves more than 160,000 individuals annually through the operation of 80 programs located in Baltimore City and eight counties. Catholic Charities' 2,200 employees and 23,000 volunteers strive every day to encourage hope for all we serve. All of our programs are provided centralized Accounting, HR, and IT services, administrative support, and the oversight of executive management teams and an active Board of Trustees to ensure optimal performance. These supports will be provided to the Haven as well.

Catholic Charities Family Services (FS) provides a full spectrum of mental health and family support services. FS is accredited by The Joint Commission (TJC), and is a licensed provider with the Maryland Departments of Health and Mental Hygiene, Human Resources, and Education. Among its programs, FS operates a residential treatment center, several special education schools, a treatment foster care program, and a large variety of home, school, and community-based programs. Among its community-based programs, FS operates 10 clinics across the state, with in-home services supported at each location. FS also provides mental health counseling services in more than 100 public schools. FS operates a licensed Transitional Age Youth (TAY) Psychiatric Rehabilitation Program (PRP), and these services will be offered to the youth residents of the Haven. Specifically, FS clinicians and the Haven's staff will utilize strategies such as developing trusting relationships with clients, supporting clients to participate in the PRP group activities, individual assessment, individual counseling, assistance with adjusting to current situations, and facilitating client's participation in case management services to obtain housing, job skills, and other community resources.

Catholic Charities' Community Services Division operates a variety of programs that serve poor and homeless populations in Baltimore City, and Anne Arundel, Harford, and Baltimore Counties. These programs/services include emergency shelter; transitional and permanent housing; employment programs for TANF clients; day shelter services for the homeless; and literacy, health, and legal services to immigrants. Catholic Charities Anna's House serves female victims of domestic violence and sexual assault. The Community Services Division also operates workforce development programs that serve youth at Our Daily Bread Employment Center and St. Edward's Workforce Development Center. Moreover, our Esperanza Center provides foreign born victims of domestic violence legal services through the STOP Violence Against Women Act (VAWA) and offers case management and comprehensive services to foreign nationals who are survivors of human trafficking. Many of the women served by our VAWA and Human Trafficking programs are between the ages of 18 and 24.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

The Mayor's Office of Human Services - Homeless Services Program leverages over \$4 million dollars annually in state and ESG funding for homeless programs. Additionally, MOHS-HSP manages over \$5 million in annual HOPWA funding for Baltimore City and over \$2 million for other surrounding counties. The Journey Home, the CoC board, engages in private and foundation

fundraising totaling over \$1 million annually to support strategic planning, staffing for management of the CoC, and homeless services programs.

The current Catholic Charities budget exceeds \$154 million. Of that amount, 77% is derived from federal, state, and local government, as well as private grants. Catholic Charities receives 12% of its revenue from program fees and other revenue, and the final 11% from contributions, including generous support from the United Way of Central Maryland (which equals 1% of the total budget). Catholic Charities expends its funds in the following ways: 89% is spent to provide direct services to those in need, 9% are spent on Administration, and 2% is spent on fundraising and awareness.

3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.

MOHS-HSP provides oversight to sub-recipients through three staff divisions:

- (1) Monitoring – a three-person team that conducts monitoring visits at programs according to an annual risk assessment;
- (2) Fiscal;
- (3) Program Administration – four-person team that processes monthly expenditure and service reports.

MOHS distributes funds on a reimbursement-basis for actual expenses incurred. Each month, sub-recipients are required to submit an expenditure report to their Program Administrator with backup documentation such as receipts or invoices. The Program Administrator reviews all expenditures to ensure they are (1) eligible costs under the grant type, and (2) line items reflected in the sub-recipients' contract budget. The Program Administrator then sends the information to the fiscal department to be reviewed and have the reimbursement processed, as well as to the Program Compliance Supervisor. The fiscal department reviews sub-recipients' financial audits on an annual basis, evaluating the organization's cash flow, internal controls, and funding sources for risk. The fiscal department of the Mayor's Office of Human Services is subject to the policies and procedures of the City of Baltimore for internal financial accounting and record-keeping. All grants and contracts must be approved by the Board of Estimates prior to commencing services.

Catholic Charities operates a record management program for all of its fiscal services that meets Generally Accepted Accounting Principles (GAAP) standards. All program-related accounting services are handled in-house. Each of the Agency's 80 programs is maintained under an automated ledger system that requires revenues and expenditures to be identified by program and funding source. In FY 2016, Associated Catholic Charities managed more than \$90 million dollars in federal, state, and local government grants. Catholic Charities has lines of credit in excess of \$10 million. Catholic Charities is audited annually; auditors have not identified any findings in the last 24 months.

Case Management Record-keeping: Catholic Charities programs funded through HUD's CoC utilize Baltimore City's HMIS system, Client Track, to manage client records. Per Baltimore City's HMIS policy, Client Track is used to capture Minimum Data Elements as defined by the Homeless Management Information Systems (HMIS) Data Standards Final Notice. Additionally, Catholic

Charities utilizes Efforts to Outcomes (ETO) to document client notes, complete assessments, and track participation and outcomes of Catholic Charities' programs. Hard copy files of clients are maintained to retain documentation related to health, income, and proof of eligibility. Correspondence and acknowledgement of receipt of all intake documents, including consent to share information, and privacy notices are also maintained in client files.

4a. Are there any unresolved monitoring or audit findings for any HUD grants(including ESG) operated by the applicant or potential subrecipients (if any)? No

1. Provide a description that addresses the entire scope of the proposed project.

The Haven will serve up to 17 chronically homeless female youth between the ages of 18 and 24. Services will be provided at the My Sister's Place Youth Haven's facility located at 111 West Mulberry Street, Baltimore, MD 21201. Additional services will be provided at MSPWC located at 17 West Franklin Street and other human services agencies in Baltimore City. In order to target unaccompanied, chronically homeless youth, My Sister's Place Youth Haven will partner with Youth Empowered Society (YES), the only drop-in center for homeless youth in Baltimore City, to identify potential participants for placement

at the Haven. YES serves as the leading agency for homeless youth in the area and will provide referrals to the Haven through the Baltimore City's centralized Coordinated Access and Assessment System. This partnership is crucial in identifying youth who have the most critical and immediate needs. After youth are referred through Baltimore City, My Sister's Place staff will meet with the youth individually to assess their needs and accept them in the Haven.

The youth will be provided a single, private room in a dormitory-style setting, and they will have access to a variety of supportive services while housed at the Haven. Each youth's individual service plan focuses on assisting the youth to become self-sufficient. Issues addressed in the service plan may include: 1) screening for mainstream resources, 2) treatment and counseling for mental health, addictions, and physical health needs, 3) legal services, 4) employment services for those able to work, and 5) permanent housing opportunities.

Activities and workshops provided at the Haven include: Safe Housing, Crisis Management, Planning for Future Housing, Case Management Services, On-site Mental Health services, Substance Use Services, Transportation, Life-Skills Training, Employment Assistance, Assistance with Benefits Enrollment, and Budget Management. The Haven will partner with a variety of agencies to provide additional supportive services, including, but not limited to: My Sister's Place Women's Center for free meals and a variety of workshops focused on self-sufficiency; Our Daily Bread Employment Center for workshops on resume writing, interviewing techniques, and employment opportunities; Healthcare for the Homeless for medical care; and Goodwill for employment assistance and job opportunities. Catholic Charities Family Services operates a licensed Transitional Age Youth (TAY) Psychiatric Rehabilitation Program (PRP), a promising practice that offers structured group activities, and these services will be offered to the youth residents at the Haven.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

2-3 Months Prior to Project Start Date: Work with YES Drop-In Center and CoC Youth and Young Adult Workgroup to identify potentially eligible youth for project. Begin completing chronic homeless documentation through the CoC's Coordinated Access system if not already collected. Develop program policies and procedures.

1 Month Prior to Project Start Date: Hire staff that will support the project. Prepare site for incoming clients; inventory furniture, kitchen supplies, cleaning supplies, and program materials.

Months 1-3: Enroll youth into program and complete intake paperwork and develop service plans. Begin on-site and partner supportive services. Achieve 75% utilization by third month.

Months 4-6: Continue to enroll youth into program and achieve 100% utilization.

The Haven is overseen by a Program Director who has more than 13 years of experience working with the homeless population, including: dually diagnosed individuals, children with disabilities, at-risk youth, victims of domestic violence and sexual assault, and the chronically homeless. She has Associate of Arts Degree in Criminal Justice, a Bachelor of Arts in Sociology, and a Master of Public Administration degree. Eleven years of her career were spent managing

residential programs, including Transitional and Permanent Supportive Housing programs. She is responsible for overseeing all aspects of the Haven and would provide direct supervision to the Case Management Supervisor and Operations Manager.

The CoC's Youth and Young Adult Workgroup, which includes foundations, youth providers, and advocates, will provide some technical support during the implementation phase of the project.

d. Will the project follow a "Housing First" approach? Yes

6. If applicable, describe the proposed development activities and the responsibilities that the applicant and potential subrecipients (if any) will have in developing, operating, and maintaining the property.

ACC plans to use an existing facility for the housing component of this grant. The facility has undergone CoC environmental review previously and housing quality inspections. ACC will be fully responsible for the operation, maintenance, and repair of the property.

7. Will the PH project provide PSH or RRH? PSH

8. Will the project request costs under the rental assistance budget line item? No

9. Will participants be required to live in a particular structure, unit, or locality, at some point during the period of participation? Yes

Explain how and why the project will implement this requirement.

This project proposes to use an existing facility, which is comprised of 17 single room occupancy units.

10. Will more than 16 persons live in one structure? Yes

10a. Describe the local market conditions that necessitate a project of this size.

The project is using an existing facility which has 17 single room occupancy units. A site-based PSH project for youth was chosen over a scattered-site or smaller facility model in order to leverage existing resources. Most of the youth that will be served by the project will have limited to no income at entry, and due

to their developmental age, will need on-site supportive services.

10b. Describe how the project will be integrated into the neighborhood.

The existing facility ACC proposes to use is visually and socially integrated into the surrounding neighborhood of Mt. Vernon. The structure is comprised of three row houses which are internally connected. From the street view, the housing looks similar to any other house on the street, and does not have any specific signage indicating it is a program for homeless individuals.

3C. Project Expansion Information

Instructions:

Will the project use an existing housing facility or incorporate activities provided by an existing project: This is a required field. Select "Yes" or "No" to indicate whether the proposed project expands an existing project in any way either by increasing the number of persons served, providing additional supportive services, bringing existing facilities up to state or local government health and safety standards, or if the funding replaces the loss of non-renewable funding. If "Yes" select all of the applicable expansion activities and provide a description for each.

Select the activities below that describe the expansion project, and click on the "Save" button below to provide additional details. Select one or more of the following activities that describe the type of expansion being proposed. Once all selections have been made, click on the "Save" button in order for follow-up questions related to the applicable selections to be made visible.

Increase the number of homeless persons served
The project applicant will complete a table to indicate what the current level of effort (i.e., number of persons currently being served) and what the new level of effort will be as a result of this expansion project. The project applicant should enter the number of persons/units/beds based on the full capacity (currently and after expansion) at a single point in time and not based on the number of persons served over the course of an operating year.

Provide additional supportive services to homeless persons
Select from the available items in the first menu and click "Add" or "Add All" to move them to the second menu. To cancel selection of one or more items added to the second menu, click on the appropriate selection(s) and then click "Remove" or "Remove All."

Use the text box provided to justify the supportive service increase indicated in the second menu screen above.

Bring existing facilities up to state or local government health and safety standards

4A. Supportive Services for Participants

Instructions:

Are the proposed project policies and practices consistent with the laws related to providing education services to individuals and families: This is a required field. Select "Yes", "No" or "N/A" to indicate whether the project policies provide for educational and related services to individuals and families experiencing homelessness, and if the policies are consistent with local and federal educational laws, including the McKinney-Vento Act. Only projects that do not serve families with children or unaccompanied youth should select "N/A." If "No" is selected, the project applicant will be required to answer an additional question.

Select "Yes", "No" or "N/A" to indicate whether the project has a designated staff person responsible for ensuring that children and youth are enrolled in school and connected to the appropriate services within the community, including early childhood education programs such as Head Start, Part C of the Individuals with Disabilities Education Act, and McKinney-Vento education services. Only projects that do not serve families with children or unaccompanied youth should select "N/A." If "No" is selected, the project applicant will be required to answer an additional question.

Describe the manner in which the project applicant will take into account the educational needs of children when children and/or families are placed in housing: This is a required field if a response of "No" is given for either one of the two preceding questions. Use this space to explain how the project will plan to meet the educational needs of children and youth participants according to the requirements specified under section 426.B.4 of the McKinney-Vento Act as amended by HEARTH.

Describe how participants will be assisted to obtain and remain in permanent housing: This is a required field. Describe how the project applicant will assist project participants to obtain and remain in permanent housing. The response should address how the applicant will take into consideration the needs of the target population and the barriers that are currently preventing them from obtaining and maintaining permanent housing. The applicant should describe how those needs and barriers will be addressed through case management and/or other supportive services that will be offered through the project. - • Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then

Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project will include the following activities:

Select “Yes” if project participants have access to SSI/SSDI technical assistance. The assistance can be provided by the applicant, a subrecipient, or a partner agency – through a formal or informal relationship. Select “No” if there is no or significantly limited access to SSI/SSDI technical assistance.

1a. Are the proposed project policies and practices consistent with the laws related to providing education services to individuals and families? Yes

1b. Will the proposed project have a designated staff person to ensure that the children are enrolled in school and receive educational services, as appropriate? Yes

2. Describe how participants will be assisted to obtain and remain in permanent housing.

This project will receive referrals through the CoC's Coordinated Access system and will work to house each youth as quickly as possible. Due to the site-based nature of the program, there are minimal barriers to housing for youth that would normally be a barrier with a private landlord (such as credit history, utility

arrears, criminal background, etc). Youth will be provided with a full range of supportive services to help them remain in housing, build their income and savings, rebuild their support networks with family and friends, and increase their educational and work opportunities. Youth that are ready for more independent housing will be engaged in housing readiness classes. Case management and program staff will use a variety of techniques to engage youth and create a positive housing environment, such as motivational interviewing, stages of change work, and trauma-informed care.

3. Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently.

My Sister's Place Youth Haven will partner with My Sister's Place Women's Center (MSPWC) and therefore youth can be connected to and take advantage of MSPWC's many services and resources. This includes workshops that help prepare youth to become financially stable, on topics such as Crisis Management, Planning for Future Housing, Life-Skills Training, Employment Assistance, and Assistance with Benefits Enrollment. The Youth Haven will partner with Benevolent Baskets to teach the youth customer service skills and business concepts (such as doing inventory, marketing, cash management, etc.). Understanding that reducing debt and establishing a savings account are important components of housing stability, the youth of the Haven can participate in Budget Management and Financial Literacy Classes, facilitated by the Baltimore and Maryland CASH Campaigns. The Haven will also offer employment retention activities, such as peer support groups, follow-up case management after employment, and a mentoring system.

MSPWC also has an effective Learn to Earn Employment Readiness Program, with internships in the facility's Kitchen and at the Reception Desk, supported by grants from private foundations. The Haven Case Managers will also refer youth to Our Daily Bread Employment Center, which assists individuals experiencing poverty and homelessness to reclaim their lives by addressing their basic needs, such as food, as well as by offering housing, job readiness, and support services—including the 30-hour Work 4 Success job-skills training program, which helps individuals with building a resume and practicing interviewing skills, etc. Other community-based resources that are focused on serving youth include Catholic Charities St. Edward's Workforce Development Center (SEWDC) and the New Pathways Career Center, which provide technical skills training in automotive, health care, and other fields.

All youth will be assisted with mainstream benefit applications for Temporary Cash Assistance, Food Stamps, and disability benefits. Youth that receive disability benefits will also be connected to the Department of Rehabilitative Services for work opportunities.

4. For all supportive services available to participants, indicate who will provide them, how they will be accessed, and how often they will be provided.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field, but it is auto calculated to zero. Since all new PH-PSH projects have to dedicate all units to CH, the number here will be zero.

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field, but it is auto calculated to zero. Since all new PH-PSH projects have to dedicate all units to CH, the number here will be zero.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5C. Outreach for Participants

Instructions:

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements: This field is required if the total percentage calculated above is less than 100 percent. If required, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2016 CoC Program NOFA.

Describe the outreach plan to bring these homeless participants into the project: This field is required. Describe how the applicant/subrecipient plans to bring homeless persons into the project. Also describe the contingency plan that the applicant/subrecipient will implement if the project experiences difficulty in meeting the requirements to serve exclusively chronically homeless individuals and/or families. The contingency plan may include re-evaluating the intake assessment procedures or outreach plan.

NOTE The definition of Chronic Homelessness qualifies persons as chronically homeless only when they come from the street or other locations not meant for human habitation, emergency shelter, or safe havens. Additionally, to qualify for rapid re-housing, persons may only come from the street or other locations not meant for human habitation, emergency shelter, or safe havens.

Additional Resources can be found at the HUD Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources>

1. Enter the percentage of project participants that will be coming from each of the following locations.

30%	Directly from the street or other locations not meant for human habitation.
65%	Directly from emergency shelters.
5%	Directly from safe havens.
100%	Total of above percentages

2. Describe the outreach plan to bring these homeless participants into the project.

This project would fill all openings from the Coordinated Access system, which screens for client eligibility and makes referrals to appropriate housing programs. After Coordinated Access makes a referral, the project will immediately work with the client to place them into housing as quickly as

possible.

5D. Discharge Planning Policy

1. Has the state or local government developed or implemented a discharge planning policy or protocol to prevent or reduce the number of persons discharged from publicly-funded institutions (e.g. health care facilities, foster care, correctional facilities, or mental health institutions) into homelessness or HUD McKinney-Vento funded programs? Yes

6A. Funding Request

Instructions:

Will it be feasible for the project to be under grant agreement by September 30, 2018: This is a required field. Select "Yes" or "No" to indicate if this project application is awarded if it will be in a position to begin operating by September 30, 2018. The FY 2016 HUD Appropriations Act requires HUD to obligate FY 2016 CoC Program funds by this date. If "No" is selected, or if the deadline is not met, this may result in the rejection of a grant or the recapture of conditionally awarded funds.

Is the project proposing to use funds reallocated from the CoC's annual renewal demand
OR

Is the project applying for funding through the permanent housing bonus? Select "Reallocation" if this project application was created through the use of funds reallocated from one or more eligible renewal projects.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.
- Has this rate been approved by your cognizant agency? Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This is a required field. Select the term of the proposed project application. The selection here will determine how the "Summary Budget" will calculate the total funding request. Please refer to the FY 2016 CoC Program NOFA for details concerning grant terms and years of funding for different project types and eligible costs. If a 15 year grant term is selected, only requested costs up to 5 years will be calculated on the application.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budgets for which funding is being requested. The choices available will depend on the project type selected on Screen "3A Project Detail." The following eligible cost budgets may be listed: acquisition/rehabilitation/new construction, leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities for which the applicant is requesting funding from HUD through the FY 2016 CoC Program competition.

If you do not see the eligible cost budgets that you expected, you may need to return to Screen "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

6J. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6I. Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6I. Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6I. Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Dear Sir/Madam:

This responds to your May 19, 2014, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2014*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2014* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in black ink that reads "Tamera Ripperda". The signature is written in a cursive style with a large, stylized 'T' and 'R'.

Tamera Ripperda
Director, Exempt Organizations

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).

If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

1. Provide a description that addresses the entire scope of the proposed project.

The AIRS Geraldine Young Family Life Center- Formerly operated by the YMCA - evolved out of a profound need for services to treat multiple issues that directly relate to and often sustain homelessness of women and their children.

Many of the women referred to the program are chronic substance abusers, victims of domestic violence and have mental health needs. In order to break the cycle of homelessness, women need more than affordable housing. A host of supportive services is necessary to treat the root causes of homelessness and toward reaching their goals in securing employment and permanent housing.

This transitional housing program addresses the multiple challenges that young mothers face; through intensive case management, these young women are provided the support and the resources to be strong, independent and self sufficient, with the skills to raise their children in a safe and loving environment.

The facility is integrated into an active neighborhood, and is adjacent to the YMCA recreational facility. Referrals for housing come directly from emergency shelters and transitional housing via the City's Coordinated Access System.

AIRS participates with Housing Association of Baltimore City to provide "conversion vouchers" for women at GYFLC to receive tenant-based Housing Choice Vouchers that are made available to them by their 24th, and final month in the program.

If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select "Yes" or "No" from the dropdown menu.

4B. Housing Type and Location

The following list summarizes each housing site in the project. To add a housing site to the list, select the  icon. To view or update a housing site already listed, select the  icon.

Total Units: 12

Total Beds: 27

Total Youth Beds: 15

Housing Type	Units	Beds	Dedicated CH Beds	Prioritized CH Beds
Clustered apartments	12	27		

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

AIDS Interfaith Residential Services, Inc.(AIRS) intends to continue providing supportive services to 221 residents in our Shelter Plus Care and 39 HUD Section/project based rental assistance 811 properties which is also a supported housing program. These funds will support the salaries and benefits of Case Managers. Case Managers assist the residents in developing Individual Service Plans (ISP), assist in identifying and removing barriers to success by providing life skills training in financial management,nutritional services, interpersonal and parenting skills. Bus tokens will be made available on an as-needed basis to remove additional barriers to residents participation in accomplishing the elements of their ISP.

AIRS is committed to a housing first model that ensures rapid access to housing and the lowest barriers to entering our housing programs. AIRS operates a continuum of housing options from scattered site supportive housing to congregate living for individuals with end-stage AIDS. In response to the alarming prevalence of HIV/AIDS in Baltimore, AIRS has grown to serve not only those who are disabled, but to emerging populations of ex-offenders, Spanish-speaking people, and youth and young adults. Our supportive services focus on introducing residents to mainstream resources to meet their current and future needs. Case Managers

meet no less than monthly with each resident to assess their health status as well as their compliance with their ISP. Client visits occur at the residents home or in the office in order to assess their life skills, monitor eating habits, personal hygiene, and housekeeping skills.

Every 9.5 minutes someone in the U.S. is diagnosed with HIV.

For over 25 years AIRS has provided subsidized housing in safe, decent communities, allowing residents to focus on improving their health and increasing their interpersonal, parenting and/or job skills. AIRS also provides an array of additional services to our residents which includes a workforce development program where they can receive individual attention on job readiness skills, creating resumes and assistance searching for employment. In addition, we provide individual HIV education and monthly community engagement programs to our clients.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the "Total Persons" rows will calculate automatically when the "Save" button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column "Persons not represented by listed subpopulations." Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange:

6E. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as organization described in section 501(c)(3) is still in effect. 1. Provide a description that addresses the entire scope of the proposed project.

Through this CoC renewal application, AIRS intends to continue providing supportive housing and case management in its Youth Space Baltimore program for 20 homeless young adults ages 18-24, with a disabling condition. These funds will support the salaries and benefits of a full-time Case Manager. The Case Manager assists the residents in developing Individual Service Plans (ISP), assists in identifying and removing barriers to success by providing life skills training in financial management, nutritional services, interpersonal, and parenting skills. The Youth Space Case Manager will work closely with residents to address their financial needs. Financial literacy courses are offered to address savings, credit scores, and budgeting. Life skills services will be offered to assist with housekeeping, cooking, cleaning and access to resources. Bus tokens are available on an as-needed basis to remove additional barriers to resident's participation in accomplishing the elements of their ISP. In addition, these funds will support the leasing assistance and utility allowance of 7 units; Shelter Plus Care rental assistance currently allocated to AIRS will support the other 13 units.

AIRS has developed a continuum of programming under the City Steps banner that addresses the specific problems of transition-aged homeless youth. In addition to Youth Space Baltimore, City Steps provides:

Transitional Housing through: CARRIAGE HOUSE TRANSITIONAL LIVING

PROGRAM, GERALDINE YOUNG FAMILY LIFE CENTER AND THE DHR/READY BY 21 DEMONSTRATION PROJECT; Permanent Housing through: RESTORATION GARDENS; and Non-residential programs through: THE YRC AND THE GEAR WORKFORCE DEVELOPMENT PROGRAM.

AIRS employs an HIV/AIDS prevention strategy of targeting the most disconnected youth to supportive housing. Young people who are homeless or are unstably housed are likely to engage in behaviors that place them at health risks, especially HIV/AIDS. Homeless young people are on the streets of Baltimore without basic resources, education, skills, or a plan for the future. They fall prey to drug use and criminal behavior, gang involvement, as well as become victims of violence. Many youth who have aged out of our child welfare system are caught in a limbo between the protections of childhood and the responsibilities of adulthood; 25% of the youth who age out of foster care experience homelessness within the first year. Research shows that homeless young people have spent much of their time in institutional and foster care, do not have a GED or high school diploma, experience weak family connections, experience with illegal drugs and alcohol, and often come from racial or ethnic minorities.

AIRS mission is to provide housing and supportive services to homeless and low-income individuals and families living with and at risk of HIV/AIDS and other disabilities. Founded in 1988, AIRS is the largest provider of housing and services to this population in the state of Maryland.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

6E. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

1. Provide a description that addresses the entire scope of the proposed project.

Behavioral Health System Baltimore (BHSB) is a non-profit agency established by Baltimore City to perform the governmental function of managing the behavioral health system for Baltimore City. BHSB is the local behavioral health authority for Baltimore City. In this capacity BHSB oversees a network of predominantly private non-profit providers who deliver services to over 35,000 Baltimore City residents who are Medicaid recipients or are uninsured. BHSB's primary mission focuses on: The promotion of behavioral health and wellness, prevention, early intervention, treatment and recovery, the creation and leadership of an integrated network of providers that promotes universal access to comprehensive, data-driven services, and advocacy and leadership of behavioral health-related efforts to align resources, programs and policy. The majority of services through the public behavioral health system (PBHS) are reimbursed through a statewide fee for service system (FFS). BHSB directly awards and manages approximately \$62,000,000 in contracts to providers for services not reimbursed through the fee for service system.

Helping Other People through Empowerment (HOPE) is a consumer run organization with a mission of offering and expanding peer support services in Baltimore City particularly amongst homeless individuals. Ethel Elan Safe Haven is HOPE's second project and is a 20 bed nontraditional facility for

chronically homeless individuals with a severe and persistent mental illness who have lived on the streets or other places not meant for human habitation that may have difficulty engaging in supportive services through traditional systems. Services provided are housing, medication monitoring, life skills training, meals, advocacy and linkage to community resources including permanent housing. The safe haven facility is designed as a low barrier, low demand, nonthreatening environment for homeless individuals who would prefer to live in a group setting. The length of stay is not predetermined, however residents are encouraged to seek a more independent living arrangement as they progress in their recovery. The facility is open 24 hours a day and 365 days a year. Clients have the freedom to come and go as they wish. Residents are encouraged to participate in the basic upkeep of the facility and follow basic house rules including being respectful of others and fostering a safe environment. Resident contributions are paid according to the HUD regulations that govern rent calculation. Residents of safe haven also work closely with case management to access housing through coordinated entry and behavioral health services.

HOPE Safe Haven is an active collaborator in Hands in Partnership (HIP), a coalition of Baltimore City homeless services providers that coordinates outreach to homeless individuals by identifying those in need of assistance and assuring that they are successfully linked to services.

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.

If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

The program adheres to State of Maryland regulations for mental health services. The target population is chronic homeless individuals with a serious and persistent mental illness. The program seeks to identify, engage and link clients to services for mental health treatment, somatic health, addictions treatment, housing, entitlements, community integration and other support services. The overall goal of the program is to assist the individual in maximizing their full potential by helping him/her secure and maintain permanent housing and reintegrate into the community. PEP as an agency has a full range of mental health treatment and supports. As a provider of mainstream behavioral health services PEP is able to leverage Medicaid funding to provide the necessary treatment services the individual needs. As a provider of mainstream behavioral health services PEP is able to directly leverage Medicaid funding to provide the necessary treatment services the individual needs. Direct support from Medicaid and the strong relationships with community service providers that PEP maintains ensure the success of the program. Outreach workers are assigned to an identified quadrant of the city and utilize creative interventions to engage individuals in remote locations on the streets. People Encouraging People staff serve as a coordinated entry assessment and navigator agency

working closely with individuals to assess for the appropriate housing intervention.

PEP is an active collaborator in Hands in Partnership (HIP) a coalition of Baltimore City homeless outreach advocates. This coalition provides outreach to homeless individuals by frequenting the places where individuals reside, identifying those in need of assistance, and engaging and linking the individual to services. PEP attends the weekly HIP meetings as well as the monthly HIP meeting for administrators to coordinate efforts for a unified response. PEP connects veterans encountered on the street with the appropriate services at the VA system or other services using the HIP forum to make connections.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

4B. Funding Request

Instructions:

Is it feasible for the project to be under grant agreement by September 30, 2018: Select "Yes" or "No" to indicate whether the grant agreement will be executed and the project will begin operating by September 30, 2018. The FY 2016 HUD Appropriations Act requires HUD to obligate FY 2016 CoC Program funds by this date. A selection of "No" may result in the rejection of a project application during the HUD assessment. Further, if a CoC Planning award is not obligated with the grant execution by September 30, 2018, the conditional award will be terminated and the funds recaptured.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This field is populated with the value "1 Year" and cannot be edited.

Eligible Costs: For items 1 through 8, enter a "Quantity AND Description" and amount of assistance for each activity for which funds are being requested. "Quantity AND Description" details should be thorough, and failure to enter adequate "Quantity AND Detail" may result in conditions being placed on an award and a delay of grant funding. Once a "Quantity AND Detail" and an amount have been entered into one or more of the items, click "Save" and e-snaps will total the assistance requested and determine the total Match amount required.

Total Costs Requested: This field is automatically calculated based total amount requested for each eligible cost.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "4A. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement. The Total Budget automatically calculates when you click the "Save" button.

1. Describe the experience of the applicant and potential subrecipients (if any), in effectively utilizing federal funds and performing the activities proposed in the application, given funding and time limitations.

The Mayor's Office of Human Services - Homeless Services Program (MOHS-HSP) manages over \$32 million in federal, state, and local homeless services and HOPWA funding each year to over 100 projects.

HCAM was established in 1997 by the Baltimore City Health Department to aid with the Medicaid transition to managed care. HCAM is overseen by a board of directors consisting of government leaders, health care professionals and

committed members of the public. As a nonprofit, HCAM is uniquely situated to provide services that are supported by both government and the private sector. Based in downtown Baltimore, HCAM has approximately 200 employees, a budget of \$20 million and has been providing dedicated services to the homeless since 2007. HCAM provides eligibility services to enroll Maryland residents in public health insurance programs or Qualified Health Plans as part of the Affordable Care Act. HCAM is the Connector Entity, or in person assistance program, for the central Maryland region with the responsibility of enrolling uninsured into either a qualified health plan or Medicaid. HCAM is also deemed a Certified Application Counselor Entity, which allows existing staff (i.e. Homeless Services) to be trained and provide real time enrollment assistance.

HCAM provides outreach, system navigation, and case management programs across the entire lifespan, including high-risk pregnant women and infants, children in foster care, those experiencing homelessness, those seeking addiction treatment, and seniors. HCAM assists over 145,000 Marylanders through multiple care management programs including but not limited to: behavioral health information, referral and outreach services, eligibility services, homeless services, foster care case management, and a maternal & child health programs.

Over the past eight (8) years, HCAM has partnered with the Mayor's Office of Human Services on several homeless services projects which include street outreach, eviction prevention, and rapid re-housing. HCAM's expertise working with people in unsheltered environments and helping them navigate the permanent housing, benefits, and income processes uniquely qualify them to fulfill the mobile outreach component of the CoC's Coordinated Access System.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

The Mayor's Office of Human Services - Homeless Services Program leverages over \$4 million dollars annually in state and ESG funding for homeless programs. Additionally, MOHS-HSP manages over \$5 million in annual HOPWA funding for Baltimore City and over \$2 million for other surrounding counties. The Journey Home, the CoC board, engages in private and foundation fundraising totaling over \$1 million annually to support strategic planning, staffing for management of the CoC, and homeless services programs.

HCAM successfully leverages funding from the state, federal, and local levels to provide a full range of health care, behavioral health, and homeless services. HCAM is the central region connector entity for the Maryland Health Benefit Exchange and also leverages state funding through the MATCH program, which coordinates and provides health care for children in foster care or kinship. HCAM leverages several community partnerships to assist clients enrolled in their homeless services programs with basic needs such as furniture and transportation.

3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.

MOHS-HSP provides oversight to sub-recipients through three staff divisions:

- (1) Monitoring – a three-person team that conducts monitoring visits at programs according to an annual risk assessment;
- (2) Fiscal;
- (3) Program Administration – four-person team that processes monthly expenditure and service reports.

MOHS distributes funds on a reimbursement-basis for actual expenses incurred. Each month, sub-recipients are required to submit an expenditure report to their Program Administrator with backup documentation such as receipts or invoices. The Program Administrator reviews all expenditures to ensure they are (1) eligible costs under the grant type, and (2) line items reflected in the sub-recipients' contract budget. The Program Administrator then sends the information to the fiscal department to be reviewed and have the reimbursement processed, as well as to the Program Compliance Supervisor. The fiscal department reviews sub-recipients' financial audits on an annual basis, evaluating the organization's cash flow, internal controls, and funding sources for risk. The fiscal department of the Mayor's Office of Human Services is subject to the policies and procedures of the City of Baltimore for internal financial accounting and record-keeping. All grants and contracts must be approved by the Board of Estimates prior to commencing services.

HCAM, since its inception, has successfully managed both fiscal and programmatic components from a wide array of funding streams. HCAM's success is recognized by its credentialing with the Maryland Association of Nonprofit Organizations as meeting the Standards for Excellence. HCAM has an automated system for handling accounting matters. HCAM uses Sage MIP Fund Accounting Software, where all funding is tracked by grant and program. Each fund is linked to HCAM's chart of accounts where all activities are tracked as needed. ADP handles all of HCAM's payroll and tax reporting needs. Payroll is submitted bi-weekly using ADP's automated time and attendance system. HCAM does have a line of credit with its local banking institution, where stringent guidelines are followed in order to access these funds. Over the past year, HCAM has completed an internal IT needs assessment and issued an RFP to implement our new case management software. HCAM has contracted with eClincialWorks to deploy a new case management module, attached to an existing electronic health record. The HCAM Homeless Services Outreach department transitioned to the system in the spring of 2016. The web-based system allows staff to complete real time assessments in the field, as well as document both, electronic medical information (if appropriate) as well as case management activities. In addition, the reporting mechanism for the system (EBO) allows for more comprehensive reporting and data collection for all programs. Staff will continue to document required HMIS information.

4a. Are there any unresolved monitoring or audit findings for any HUD grants (including ESG) operated by the applicant or potential subrecipients (if any)? No

3A. Project Detail

Instructions:

The selections made on this screen will determine the remaining screens that must be completed for this project application.

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select "No CoC."

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the "Project" Form and cannot be edited.

Project Status: The default selection is "Standard," indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to "Appeal" in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see the Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen "8A. Notice of Intent to Appeal."

Component Type: This is a populated field with PH, SSO and HMIS as options for selection and cannot be edited. PH-Permanent Supportive Housing, Rapid Re-Housing, SSO for Coordinated Entry and Dedicated HMIS projects are the only types of new project applications that can be submitted in the FY 2016 CoC Program Competition.

Energy Star: this field is required. Select "Yes" or "No" to indicate if Energy Star is being used in this project at one or more properties that will receive funding in this CoC Program Competition.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

3B. Project Description

Instructions:

Provide a description that addresses the entire scope of the proposed project: This field is required. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work: This is a required field. Provide a schedule and describe both a management plan and implementation methodology that will ensure that the project will begin operating within the requirements described in the FY 2016 CoC Program NOFA and CoC Program interim rule if it is selected for a funding award.

Will your project participate in a CoC Coordinated Entry Process: This is a required field. Select "Yes" if the project is currently participating in a coordinated entry process. Select "No" if a coordinated entry process does not exist in the CoC or if the project does not participate. You will then be asked to explain why your project will not participate in a CoC Coordinated Entry Process, and this is required.

Please identify the project's specific population focus. (Select ALL that apply): PH and SSO projects must select the applicable populations as outlined in the FY 2016 CoC Program NOFA. Multiple checkboxes are provided as options.

PH PROJECTS ONLY

Housing First: This is a required field for PH projects and does not apply to SSO and HMIS projects. The following questions are required fields to complete the Housing First question. Select all applicable checkboxes that indicate whether or not the project will follow a housing first approach. Select "none of the above" if the project will not follow a housing first approach.

Will the project quickly move participants into permanent housing?: Select "Yes" to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select "Yes" if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select "No" if the project does not work to move program participants quickly into permanent housing.)

Will the project ensure that participants will not be screened out based on the listed reasons? (Check all that apply): The applicant must select at least one checkbox.

Will the project ensure that participants are not terminated from the program for listed reasons? (Check all that apply): The applicant must select at least one checkbox.

Will the project follow a "Housing First" approach?: This question's response of "Yes" or "No" is auto-scored based upon the responses to the questions above. This field is not editable.

If applicable, describe the proposed development activities and the responsibilities that the applicant and potential subrecipients (if any) will have in developing, operating, and maintaining the property. This field must be completed if the project applicant will request capital costs (e.g., acquisition, rehabilitation, or new construction) in the project application. Provide a detailed list of the activities and responsibilities assigned to the applicant and each subrecipient (if any)

Will the PH project provide PSH or RRH: This is a required field. Select PSH if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select

RRH if the project will operate according to a rapid rehousing model as defined by 24 CFR 578. "

Will the project request costs under the rental assistance budget line item?: This is a required field. Select "Yes" or "No" from the dropdown menu and if "Yes" is selected, provide an explanation in the textbox provided.

Describe the method for determining the type, amount, and duration of rental assistance that participants can receive. Textbox is provided if the response to the question above is "Yes". If the project is requesting rental assistance, describe the method or process the applicant will use to determine the type, amount, and duration of rental assistance that participants can receive. For PH-PSH projects this generally means a brief explanation of the choice of rental assistance type (PRA, SRA, or TRA).

Will participants be required to live in a particular structure, unit, or locality, at some point during the period of participation: This is a required field. If "Yes" is selected, explain, in the textbox provided, how and why the project will implement this requirement for participants to live in particular structure, unit, or locality during all or a portion of the period of participation.

Will more than 16 persons live in one structure: This is a required field. If "Yes" is selected, describe, in the textbox provided, the local market conditions, that necessitate a project of this size and describe how the project will be integrated into the neighborhood.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

This project will provide mobile and site-based housing navigator services within the CoC's Coordinated Access system for approximately 15 households per day. Navigators will conduct housing and services assessments with homeless households at partner programs (Community Action Centers, privately funded shelters, etc) and in unsheltered environments upon request/need. Each client will be assessed for the full range of immediate and long-term housing options that the client is eligible for. Once the housing goals and barriers are identified, navigators will work with each client to remove housing barriers, such as lack of

identification. Using the Coordinated Access system, navigators will link clients to services that may assist the client to obtain and maintain stable housing, like: medical, mental health treatment, substance use treatment, health insurance, mainstream cash & non-cash benefits, food referrals, identity documents, expungements & legal resources. Mobile outreach and navigator services are critically needed within the CoC to reach households that are the least likely to access homeless services (those living on the street).

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The implementation timeline for this project is minimal, as the navigator services will be mobile and partnerships with potential sites and programs have already been established. Prior to the program's start date, HCAM will work with MOHS, the CoC's Coordinated Access workgroup, and partners to solidify the outreach schedule, develop program policies and procedures, and set up the program in HMIS. Navigators will be hired in time to start during the first month of the program year and receive comprehensive training in core competencies such as strengths-based approaches and trauma-informed care in addition to technical HMIS training. Navigators will implement the outreach schedule and begin actively working with clients by the second month of the program.

The CoC's Coordinated Access workgroup and MOHS will regularly review housing and shelter placement progress as well as troubleshoot housing match or capacity issues.

*** 3. Please identify the project's specific population focus.**

4. Please select the type of SSO project: Coordinated Entry

4a. Will the coordinated entry process funded in part by this grant cover the CoC's entire geographic area? Yes

4b. Will the coordinated entry process funded in part by this grant be easily accessible? Yes

4c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance.

Entry points for this system include 211, Mercy Supportive Housing, domestic violence hotlines, drop-in centers, shelters, outreach teams, and other registered health and behavioral health providers (over 50 providers in total). Information on this system is shared with CoC and ESG providers, the Continuum of Care community e-mail list, providers with Baltimore City's lead behavioral health entity, emergency departments, police, and school staff. The system's Housing Assessment prioritizes chronic and vulnerable homeless persons for permanent supportive, transitional, and rapid rehousing programs. Matching processes are monitored so that individuals cannot be turned away for criteria that are not required for program eligibility. Interviewer observations and client records are incorporated into the assessment to better capture vulnerability among clients who don't know or are reluctant to state their health information.

4d. Does the coordinated entry process use a comprehensive, standardized assessment process? Yes

4e. Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services.

The CoC's centralized Coordinated Access process can be accessed through 211 or any one of 50+ programs with navigators, including outreach, shelters, drop-ins, and health providers. A property was acquired in 2016 for a walk-in site for families. Street outreach teams navigate persons least likely to access the system on their own. Clients are assessed for the following interventions, escalating in intensity according to need: mainstream services, eviction prevention, shelter, transitional housing, rapid re-housing, and permanent supportive housing. The assessment is based on indicators that predict mortality and prolonged homelessness. After sorting for programs' grant required eligibility criteria and client preferences, chronically homeless, high scoring vulnerable, and veteran clients are prioritized for PSH. Length of homelessness is used as a tiebreaker. Navigators assist clients throughout the intake process and have access to the City's Flex Fund to help clients overcome cost barriers to permanent housing entry. The CoC is in the final stages of developing a prioritized By Name List in HMIS populated in real time by registered navigators.

4f. If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four Yes

**groups: Chronically Homeless, Individuals,
Families, and Youth?**

3C. Project Expansion Information

Instructions:

Will the project use an existing housing facility or incorporate activities provided by an existing project: This is a required field. Select "Yes" or "No" to indicate whether the proposed project expands an existing project in any way either by increasing the number of persons served, providing additional supportive services, bringing existing facilities up to state or local government health and safety standards, or if the funding replaces the loss of non-renewable funding. If "Yes" select all of the applicable expansion activities and provide a description for each.

Select one or more of the following activities that describe the type of expansion being proposed. Once all selections have been made, click on the "Save" button in order for follow-up questions related to the applicable selections to be made visible.

Increase the number of homeless persons served
The project applicant will complete a table to indicate what the current level of effort (i.e., number of persons currently being served) and what the new level of effort will be as a result of this expansion project. The project applicant should enter the number of persons/units/beds based on the full capacity (currently and after expansion) at a single point in time and not based on the number of persons served over the course of an operating year.

Provide additional supportive services to homeless persons
Select from the available items in the first menu and click "Add" or "Add All" to move them to the second menu. To cancel selection of one or more items added to the second menu, click on the appropriate selection(s) and then click "Remove" or "Remove All."

Use the text box provided to justify the supportive service increase indicated in the second menu screen above.

Bring existing facilities up to state or local government health and safety standards
Use the text box provided to describe how the project is proposing to "bring the existing facility(ies) up to state/local government health and safety standards." Please reference the applicable standard(s).

Replace the loss of nonrenewable funding
a) Use the text box provided to describe the source of non-renewable funding.
b) Use the text box provided to describe why the funds are non-renewable.
c) Select the date from the date field corresponding to the date when the non-renewable funds will expire
d) Use the text box provided to describe what steps were taken to obtain other funding sources.
e) Use the text box provided to describe why CoC Program funds are needed to continue operating the project.

5D. Discharge Planning Policy

1. Has the state or local government developed or implemented a discharge planning policy or protocol to prevent or reduce the number of persons discharged from publicly-funded institutions (e.g. health care facilities, foster care, correctional facilities, or mental health institutions) into homelessness or HUD McKinney-Vento funded programs? Yes

6A. Funding Request

Instructions:

Will it be feasible for the project to be under grant agreement by September 30, 2018: This is a required field. Select "Yes" or "No" to indicate if this project application is awarded if it will be in a position to begin operating by September 30, 2018. The FY 2016 HUD Appropriations Act requires HUD to obligate FY 2016 CoC Program funds by this date. If "No" is selected, or if the deadline is not met, this may result in the rejection of a grant or the recapture of conditionally awarded funds.

Is the project proposing to use funds reallocated from the CoC's annual renewal demand
OR

Is the project applying for funding through the permanent housing bonus? Select "Reallocation" if this project application was created through the use of funds reallocated from one or more eligible renewal projects.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.
- Has this rate been approved by your cognizant agency? Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This is a required field. Select the term of the proposed project application. The selection here will determine how the "Summary Budget" will calculate the total funding request. Please refer to the FY 2016 CoC Program NOFA for details concerning grant terms and years of funding for different project types and eligible costs. If a 15 year grant term is selected, only requested costs up to 5 years will be calculated on the application.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budgets for which funding is being requested. The choices available will depend on the project type selected on Screen "3A Project Detail." The following eligible cost budgets may be listed: acquisition/rehabilitation/new construction, leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities for which the applicant is requesting funding from HUD through the FY 2016 CoC Program competition.

If you do not see the eligible cost budgets that you expected, you may need to return to Screen "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated based on the grant term selected on Screen "6A. Funding Request" and will be read only.

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6I. Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6I. Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6I. Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(3).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not

BALTIMORE HEALTH CARE ACCESS INC

necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended

BALTIMORE HEALTH CARE ACCESS INC

only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If distributions are made to individuals, case histories regarding the recipients should be kept showing names, addresses, purposes of awards, manner of selection, relationship (if any) to members, officers, trustees or donors of funds to you, so that any and all distributions made to individuals can be substantiated upon request by the Internal Revenue Service. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

District Director

Enclosure(s):
Addendum

BALTIMORE HEALTH CARE ACCESS INC

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1, page 844.

1. Describe the experience of the applicant and potential subrecipients (if any), in effectively utilizing federal funds and performing the activities proposed in the application, given funding and time limitations.

The Mayor's Office of Human Services - Homeless Services Program (MOHS-HSP) manages over \$32 million in federal, state, and local homeless services and HOPWA funding each year to over 100 projects. MOHS-HSP has successfully implemented over 40 CoC-funded permanent supportive housing projects, achieving an average housing stability rate of 97 percent and maintaining a 96 percent utilization rate. MOHS-HSP has also implemented four rapid re-housing programs with ESG and local funding, achieving a

permanent housing stability rate of over 90% and returns to homelessness from rapid re-housing at less than 10% within two years of exiting the program.

HCAM was established in 1997 by the Baltimore City Health Department to aid with the Medicaid transition to managed care. HCAM is overseen by a board of directors consisting of government leaders, health care professionals and committed members of the public. As a nonprofit, HCAM is uniquely situated to provide services that are supported by both government and the private sector. Based in downtown Baltimore, HCAM has approximately 200 employees, a budget of \$20 million and has been providing dedicated services to the homeless since 2007.

HCAM provides eligibility services to enroll Maryland residents in public health insurance programs or Qualified Health Plans as part of the Affordable Care Act. HCAM is the Connector Entity, or in person assistance program, for the central Maryland region with the responsibility of enrolling uninsured into either a qualified health plan or Medicaid. HCAM is also deemed a Certified Application Counselor Entity, which allows existing staff (i.e. Homeless Services) to be trained and provide real time enrollment assistance.

HCAM provides outreach, system navigation, and case management programs across the entire lifespan, including high-risk pregnant women and infants, children in foster care, those experiencing homelessness, those seeking addiction treatment, and seniors. HCAM provides outreach and case management to help hard to serve; vulnerable populations obtain health care and related services. HCAM educates the public about available resources, helps qualified individuals enroll in insurance, while connecting to primary care, specialty care and provides hands on assistance for wrap around services. HCAM assists over 145,000 Marylanders through multiple care management programs including but not limited to: behavioral health information, referral and outreach services, eligibility services, homeless services, foster care case management, and a maternal & child health programs.

Over the past eight (8) years, HCAM has partnered with the Mayor's Office of Human Services on several homeless services projects. Since 2009, HCAM has operated a rapid re-housing and eviction prevention program and has less than 2% returns to homelessness.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

The Mayor's Office of Human Services - Homeless Services Program leverages over \$4 million dollars annually in state and ESG funding for homeless programs. Additionally, MOHS-HSP manages over \$5 million in annual HOPWA funding for Baltimore City and over \$2 million for other surrounding counties. The Journey Home, the CoC board, engages in private and foundation fundraising totaling over \$1 million annually to support strategic planning, staffing for management of the CoC, and homeless services programs.

HCAM successfully leverages funding from the state, federal, and local levels to provide a full range of health care, behavioral health, and homeless services. HCAM is the central region connector entity for the Maryland Health Benefit

Exchange and also leverages state funding through the MATCH program, which coordinates and provides health care for children in foster care or kinship. HCAM leverages several community partnerships to assist clients enrolled in their homeless services programs with basic needs such as furniture and transportation.

3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.

MOHS-HSP provides oversight to sub-recipients through three staff divisions:
(1) Monitoring – a three-person team that conducts monitoring visits at programs according to an annual risk assessment;
(2) Fiscal;

MOHS distributes funds on a reimbursement-basis for actual expenses incurred. Each month, sub-recipients are required to submit an expenditure report to their Program Administrator with backup documentation such as receipts or invoices. The Program Administrator reviews all expenditures to ensure they are (1) eligible costs under the grant type, and (2) line items reflected in the sub-recipients' contract budget. The Program Administrator then sends the information to the fiscal department to be reviewed and have the reimbursement processed, as well as to the Program Compliance Supervisor. The fiscal department reviews sub-recipients' financial audits on an annual basis, evaluating the organization's cash flow, internal controls, and funding sources for risk. The fiscal department of the Mayor's Office of Human Services is subject to the policies and procedures of the City of Baltimore for internal financial accounting and record-keeping. All grants and contracts must be approved by the Board of Estimates prior to commencing services.

HCAM, since its inception, has successfully managed both fiscal and programmatic components from a wide array of funding streams. HCAM's success is recognized by its credentialing with the Maryland Association of Nonprofit Organizations as meeting the Standards for Excellence. HCAM has an automated system for handling accounting matters. HCAM uses Sage MIP Fund Accounting Software, where all funding is tracked by grant and program. Each fund is linked to HCAM's chart of accounts where all activities are tracked as needed. ADP handles all of HCAM's payroll and tax reporting needs. Payroll is submitted bi-weekly using ADP's automated time and attendance system. HCAM does have a line of credit with its local banking institution, where stringent guidelines are followed in order to access these funds. Over the past year, HCAM has completed an internal IT needs assessment and issued an RFP to implement our new case management software. HCAM has contracted with eClinicalWorks to deploy a new case management module, attached to an existing electronic health record. The HCAM Homeless Services Outreach department transitioned to the system in the spring of 2016. The web-based system allows staff to complete real time assessments in the field, as well as document both, electronic medical information (if appropriate) as well as case management activities. In addition, the reporting mechanism for the system (EBO) allows for more comprehensive reporting and data collection for all programs. Staff will continue to document required HMIS information.

4a. Are there any unresolved monitoring or audit findings for any HUD grants(including ESG) operated by the applicant or potential subrecipients (if any)? No

1. Provide a description that addresses the entire scope of the proposed project.

This rapid re-housing project will serve at least 50 adult households (both single adults and adult couples) during the program's operating year. This project will provide short and medium-term rental assistance, intensive case management and connection to supportive services, and housing locator and counseling services. The project's goal is to have clients placed into housing within 30 days of intake, working with each client to develop a "housing stability blueprint" and forecasting a three- to six- month financial assistance package. The staffing model for the project will be one (1) full time Housing Coordinator, two (2) full

time Stability Coordinators and one Peer Specialist. The Housing Coordinator (HC) will be responsible for all needs related to landlord recruitment, education and retention. The HC will complete all activities related to housing location and lease up for the clients, including any needed HUD Housing Quality Standards (HQS) inspections. The Stability Coordinators (SC) will serve in a role very similar to a case manager, but work more as an ally, coach and teacher than a manager. The SC will complete initial assessments and Stability Blueprints (more traditionally called Individual Service Plans), conduct home visits and client contacts, facilitate groups and work with partners to facilitate workshops. The Peer Specialist (PS) will be an additional support to any client in crisis or needing hand-on tenant or life skill training. This PS will be someone with lived experience that will offer insight to our staff about the population and have a heightened relatability to the clients.

HCAM developed its core competencies in alignment with the Public Health Foundation, the National Association of Social Work and the Case Management Society of America's practice guidelines. In alignment with their core competency curriculum, HCAM advocates and Case Managers are trained in Motivational Interviewing (MI), Stages of Change, Trauma Informed Care (TIC), Critical Time Intervention (CTI), as well as Mental Health First Aid (MHFA). HCAM will also implement the use of the evidence-based Integrative Screener instrument that incorporates the Stages of Change model with validated screening tools to assess for mental health, substance use, physical health/primary care and sexual health.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

Award Date to July 2017: Hire key staff positions and develop program materials. Begin outreach to prospective landlords in network to identify open units. Begin conducting assessments/receiving referrals through Coordinated Access.

July 2017 to February 2018: Enroll 6-10 households monthly into the program, with a goal of moving all clients from intake assessment to housing within 30 days. Provide ongoing case management and supportive services to clients enrolled in the program according to their service needs and a progressive engagement model.

March 2018 to June 2018: Provide ongoing case management and supportive services to clients enrolled in the program. If program is renewed for an additional year, begin completing assessments and identifying units for clients entering in July.

The program's expansion will be overseen by senior staff that provides oversight and support for the existing rapid re-housing program. HCAM will ensure that experienced and skilled staff are hired and trained quickly in order to begin enrolling clients immediately upon the start date of the operating year. HCAM staff will review client service plans and rental assistance monthly to make assistance determinations as well as forecast the number of households that can be enrolled the following month. HCAM will utilize their existing landlord network (over 50 private landlords) to identify potential housing units ahead of enrollment windows.

1a. Are the proposed project policies and practices consistent with the laws related to providing education services to individuals and families? Not Applicable

1b. Will the proposed project have a designated staff person to ensure that the children are enrolled in school and receive educational services, as appropriate? Not Applicable

2. Describe how participants will be assisted to obtain and remain in permanent housing.

Readily defined by “Find, Pay & Stay” our program services would do exactly that. We achieve implementing this model by providing assistance with housing locator services through our strong landlord network. Our goals are to house clients immediately, in less than 30 days, out of homelessness and to stabilize

in permanent housing. Working with the client to develop a "housing stability blueprint" and forecasting a three month financial assistance package. The financial assistance component includes evaluating and providing adequate support for the clients to overcome the front-heavy financial burdens of move-in costs, deposits, and the rental and/or utility assistance. We serve the clients through ongoing case management and forging and building the clients linkages with community based partners, agencies and services.

3. Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently.

HCAM partners with the Baltimore Cash campaign to provide monthly financial literacy workshops. The Stability Coordinator will assess each client for mainstream cash and non-cash benefits eligibility. With HCAM staff being listed with DSS as a Community-Based Organization – we can expedite the application process for these benefits. These benefits will include Food Stamps, Temporary Cash assistance (TCA) & Temporary Disability Assistance (TDAP). The project will refer eligible clients to Social Security for disability, pension and widows benefits as appropriate in addition to utilizing SOAR. Project staff will have discussions with clients regarding alternative forms of earned income, including temp agencies, "under the table" employment, and self-employment. Those clients that are interested will be referred to a partner, Goodwill Industries for education, job training and job placements. HCAM will work through Goodwill, Career Connections, and other local workforce programs to offer job search skills, resume writing workshops and interviewing strategies. For households that cannot augment their income any further, HCAM will work with the client to identify alternative housing models like room rentals and shared housing that are far more affordable.

HCAM has forged a relationship with Goodwill Industries of the Chesapeake to provide clients job readiness training and increase employability skills, in addition to the STEP program, which focuses on supported employment for those with mental health conditions. Case Managers will also make referrals to Department of Rehabilitative Services (DORS) as appropriate.

4. For all supportive services available to participants, indicate who will provide them, how they will be accessed, and how often they will be provided.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field, but it is auto calculated to zero. Since all new PH-PSH projects have to dedicate all units to CH, the number here will be zero.

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field, but it is auto calculated to zero. Since all new PH-PSH projects have to dedicate all units to CH, the number here will be zero.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5C. Outreach for Participants

Instructions:

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements: This field is required if the total percentage calculated above is less than 100 percent. If required, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2016 CoC Program NOFA.

Describe the outreach plan to bring these homeless participants into the project: This field is required. Describe how the applicant/subrecipient plans to bring homeless persons into the project. Also describe the contingency plan that the applicant/subrecipient will implement if the project experiences difficulty in meeting the requirements to serve exclusively chronically homeless individuals and/or families. The contingency plan may include re-evaluating the intake assessment procedures or outreach plan.

NOTE The definition of Chronic Homelessness qualifies persons as chronically homeless only when they come from the street or other locations not meant for human habitation, emergency shelter, or safe havens. Additionally, to qualify for rapid re-housing, persons may only come from the street or other locations not meant for human habitation, emergency shelter, or safe havens.

Additional Resources can be found at the HUD Exchange:

1. Enter the percentage of project participants that will be coming from each of the following locations.

10%	Directly from the street or other locations not meant for human habitation.
90%	Directly from emergency shelters.
0%	Directly from safe havens.
0%	Persons fleeing domestic violence.
100%	Total of above percentages

2. Describe the outreach plan to bring these homeless participants into the project.

This project would fill all openings from the Coordinated Access system, which screens for client eligibility and makes referrals to appropriate housing

programs. After Coordinated Access makes a referral, the project will immediately work with the client to place them into housing as quickly as possible. The project will minimize barriers to entry as much as possible by streamlining forms and applications for housing, transporting clients to and from landlord appointments, and facilitating security deposits and lease signings.

5D. Discharge Planning Policy

1. Has the state or local government developed or implemented a discharge planning policy or protocol to prevent or reduce the number of persons discharged from publicly-funded institutions (e.g. health care facilities, foster care, correctional facilities, or mental health institutions) into homelessness or HUD McKinney-Vento funded programs? Yes

6A. Funding Request

Instructions:

Will it be feasible for the project to be under grant agreement by September 30, 2018: This is a required field. Select "Yes" or "No" to indicate if this project application is awarded if it will be in a position to begin operating by September 30, 2018. The FY 2016 HUD Appropriations Act requires HUD to obligate FY 2016 CoC Program funds by this date. If "No" is selected, or if the deadline is not met, this may result in the rejection of a grant or the recapture of conditionally awarded funds.

Is the project proposing to use funds reallocated from the CoC's annual renewal demand
OR

Is the project applying for funding through the permanent housing bonus? Select "Reallocation" if this project application was created through the use of funds reallocated from one or more eligible renewal projects.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.

- Has this rate been approved by your cognizant agency? Select "Yes" or "No" from the dropdown menu.

- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This is a required field. Select the term of the proposed project application. The selection here will determine how the "Summary Budget" will calculate the total funding request. Please refer to the FY 2016 CoC Program NOFA for details concerning grant terms and years of funding for different project types and eligible costs. If a 15 year grant term is selected, only requested costs up to 5 years will be calculated on the application.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budgets for which funding is being requested. The choices available will depend on the project type selected on Screen "3A Project Detail." The following eligible cost budgets may be listed: acquisition/rehabilitation/new construction, leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities for which the applicant is requesting funding from HUD through the FY 2016 CoC Program competition.

If you do not see the eligible cost budgets that you expected, you may need to return to Screen "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

New Project Application FY2016	Page 52	09/13/2016
--------------------------------	---------	------------

Match (cash or in-kind) must be used for eligible program costs only and must be equal or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, and the FY 2016 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution

The values entered on each detailed Match screen will populate the Screen "6J. Summary Budget." The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

6J. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6I. Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6I. Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6I. Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Addendum Applies:
Yes

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(3).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not

BALTIMORE HEALTH CARE ACCESS INC

necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended

BALTIMORE HEALTH CARE ACCESS INC

only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If distributions are made to individuals, case histories regarding the recipients should be kept showing names, addresses, purposes of awards, manner of selection, relationship (if any) to members, officers, trustees or donors of funds to you, so that any and all distributions made to individuals can be substantiated upon request by the Internal Revenue Service. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

District Director

Enclosure(s):
Addendum

BALTIMORE HEALTH CARE ACCESS INC

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1, page 844.

2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

1. Provide a description that addresses the entire scope of the proposed project.

The project is aimed at providing permanent supported housing to 44 adults experiencing chronic homelessness (in accordance with HUD's definition) who have a serious mental illness and/or co-occurring substance abuse disorders. PEP is a partner in the Continuum of Care and works collaboratively to coordinate access to services throughout the Continuum for people who are chronically homeless. Using the Housing First approach, the provision of PSH will be one of the first incentives used by PEP staff to engage people who are "street" homeless with the goal of developing a long term, trusting relationship that results in treatment of the individual's mental illness or addiction issue. PEP employs a no reject-no eject policy; housing is not contingent upon any expectations established by staff of the organization. Treatment adherence, contracting for services and sobriety have no bearing on housing eligibility. Motivational interviewing and a Stages of Change paradigm are employed by staff to gently and repeatedly provide opportunities for improved behavioral health throughout the relationship. Should a chronically homeless person be ready to engage in services, PEP has a full complement of behavioral health services available, including intensive case management, rehabilitation services, employment services, Assertive Community Treatment, and outpatient integrated mental health, substance abuse and primary care services. However, a consumer can receive services from any provider of their choosing.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Yes

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are a organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

1. Provide a description that addresses the entire scope of the proposed project.

HMIS was implemented in Baltimore City in 2000 by Baltimore Homeless Services (BHS). As authorized by the Baltimore City Continuum of Care (CoC), the Mayor's Office of Human Services (MOHS) serves as the HMIS Lead Agency. Starting in 2013, MOHS began a long term improvement effort of the operations of the HMIS lead, including a major software transition. In September 2014 the CoC transitioned to ClientTrack, an HMIS software that represents a large improvement from the previous platform. This project enables the Baltimore City CoC to maintain compliance with HUD's requirement to use a Homeless Management Information System. CoC Program funds will be used to continue the operation of the HMIS in the Baltimore City CoC. Activities funded by the grant include:

1. Technical and system administration operations of the HMIS with the primary goal of collecting high quality data from homeless service providers
2. Overseeing all matters related to HMIS data collection, data management, and data quality monitoring
3. Data analysis and data reporting tasks as related to homeless services in Baltimore City
4. Monitoring and assisting participating organizations on compliance with HMIS requirements

5. HMIS user training and technical assistance activities

With input from HUD-sponsored HMIS technical assistance, MOHS is implementing a plan for improvement and upgrading of the HMIS project staffing structure. At full operational capacity during the upcoming grant year, current plans will take the HMIS project from 3 FTEs to 6 FTEs, in an effort to meet project demands that have rapidly increased since 2013.

2. Does your project have a specific population focus? No

Failure to enter adequate "Quantity AND Detail" may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount funds requested for each activity. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application

Project Name: This is pre-populated from the "Project" Form and cannot be edited.

Project Status: The default selection is "Standard," indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to "Appeal" in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen "8A. Notice of Intent to Appeal."

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select "Yes" if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If "Yes" is selected, select the relevant checkbox(s) to identify the project's population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a "Housing First" approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select "none of the above" if the project does not follow a housing first approach.

- Does the project quickly move participants into permanent housing?: This is a required field. Select "Yes" to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select "Yes" if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select "No" if the project does not work to move program participants quickly into permanent housing.)

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

- Does the project follow a "Housing First" approach? This is auto-scored based upon the responses to the questions above and "Yes" or "No" will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select "PSH" if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select "RRH" if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select "Yes" from the dropdown menu. If not requesting rental assistance in this project application, select "No".

1. Provide a description that addresses the entire scope of the proposed project.

"Health Care for the Homeless (HCH) works to prevent and end homelessness for vulnerable individuals and families by providing quality, integrated health care and promoting access to affordable housing and sustainable incomes through direct service, advocacy, and community engagement. The Homeward Bound project supports 55 units of chronically homeless individuals. The case manager carries a case load of 15-20 individuals for the Homeward Bound/Housing First program with a focus on maintaining housing and health stability. These four positions combine with an additional 19 team members that include social workers, peer advocates, representative payee and nursing services.

Our PSH program is similar in structure to an assertive community treatment (ACT) program. Our team-based model includes mental health care, medical care, case management, peer support and transportation to-and-from appointments. Services are provided in client homes or in our offices on a flexible schedule. These services, while voluntary, are promoted to improve health outcomes, promote housing retention, and assist with integration into community. Our existing supportive housing team includes an multidisciplinary team working to ensure housing stability.

The Supportive Housing team operates using a housing first and harm reduction approach to rapidly house individuals. Often individuals who have been “chronically” homeless and living on the street or in shelter have adapted to life on the streets. Assisting such individuals in the transition to housing takes a substantial amount of time and support. Pervasive anxiety, paranoia, and high expectations for independent living in an apartment of their own makes it extremely difficult for newly housed clients to adjust to the change in situation. Our Supportive Housing Team works to ensure individuals are able to maintain housing with the appropriate level of support. All clients are assigned a TCM and peer advocate who assist with housing location and placement. Our team cultivates landlord partnerships in order to find appropriate housing options for individuals guided by client choice. TCMs complete a treatment plan that asks the client to identify goals and outlines steps to completion, including the provider’s role. Clients are connected with additional wraparound services (as requested by the individual). While participation in services is not a requirement, through building a trusting relationship, we work to connect clients to a full complement of health services offered by HCH. Primary care, addictions, dental, vision, groups, and occupational therapy are all available for the client if desired. The providers work in accord with the treatment team to improve health outcomes and maintain housing stability. Having all services under one roof is useful for coordinating and providing whole-person care.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iii).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on form 990-1, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If the heading of this letter indicates that a caveat applies, the caveat below or on the enclosure is an integral part of this letter.

3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select "Yes" if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If "Yes" is selected, select the relevant checkbox(s) to identify the project's population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a "Housing First" approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select "none of the above" if the project does not follow a housing first approach.

- Does the project quickly move participants into permanent housing?: This is a required field. Select "Yes" to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select "Yes" if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select "No" if the project does not work to move program participants quickly into permanent housing.)

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

- Does the project follow a "Housing First" approach? This is auto-scored based upon the responses to the questions above and "Yes" or "No" will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select "PSH" if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select "RRH" if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select "Yes" from the dropdown menu. If not requesting rental assistance in this project application, select "No".

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on

the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. "Yes" should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC's entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

The BHSB SRA Multi-Grant is comprised of five (5) non-profit community-based organizations (Behavioral Health Systems Baltimore (where Community Housing Associates serves as the subsidiary); Associated Catholic Charities; Marian House; At Jacob's Well; and Dayspring) providing sponsor-based rental assistance and supportive services to a total of 257 households experiencing homelessness.

The over-arching goals of the project includes increasing housing stability, skills and/or income, and enhancing self-determination.

The BHSB SRA Multi-Grant has adopted a Housing First approach, an evidence-based practice that promotes housing homeless individuals as quickly as possible and subsequently offering person-centered supportive services.

Participants are referred to the project through the CoC Coordinated Access System. The housing units are scattered-site throughout Baltimore City with household compositions consisting of adult men and women and families with children.

Project participants present with histories and needs across the spectrum.

These include homelessness, addiction, mental illness, incarceration, victims of domestic violence, veterans, and medical such as HIV/AIDS. Case management services are available to all participants served by the project and through a community-based oriented system, participants may access a myriad of other supportive services aim to assist them with developing and achieving their individual goals such as education attainment and income sufficiency.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Dear Taxpayer:

This is in response to your Nov. 22, 2013, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in March 1988.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

COMMUNITY HOUSING ASSOCIATES INC

BALTIMORE, MD 21202

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

District Director

Addendum

COMMUNITY HOUSING ASSOCIATES INC

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1 page 844.

You are required to make available for public inspection a copy of your exemption application, and supporting documents, and this exemption letter. If you are required to file an annual information return, you are also required to make a copy of the return available for public inspection for three years after the return is due. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is a failure to comply (up to a maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 30-120, 1903-2 C.B. 454, for additional information.

During your advance ruling period, you were treated as an organization described in section 509(a)(2) of the Code. However, based on the information submitted, you are a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code. Section 1.509(a)-6 of the Income Tax Regulations states that if an organization is described in section 509(a)(1) and any other subsection of 509(a), it will be classified as an organization described in 509(a)(1). You have been reclassified accordingly. This is not a denial of 509(a)(2) status, and is more advantageous to you. If at any time you cease to qualify for classification under 509(a)(1), consideration would be given to possible recognition under 509(a)(2).

Reclassification to sections 509(a)(1) and 170(b)(1)(A)(vi) is not a denial of section 509(a)(2), which will be further considered if at any time you cease to qualify under section 509(a)(1). The reclassification is in accordance with section 1.509(a)-6 of the Income Tax Regulations, which provides that an organization described in section 509(a)(1) and any other part of section 509(a), will be treated as described under (the more favorable) section 509(a)(1).

• Dear Ms. Halloran:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 1946, are entitled to exemption from federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

The Official Catholic Directory for 1998 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 1998 are exempt from federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

TO: Most Reverend Archbishops and Bishops, Diocesan Attorneys

SUBJECT: 2004 Group Ruling

FROM: Mark E. Chopko, General Counsel *MEC*
(Staff: Deirdre Dessingue, Associate General Counsel)

Enclosed is a copy of the Group Ruling issued to the United States Conference of Catholic Bishops on July 1, 2004 by the Internal Revenue Service ("IRS"), with respect to the federal tax status of Catholic organizations listed in the 2004 edition of the Official Catholic Directory ("OCD")¹. As explained in greater detail below, this ruling is important for establishing:

- (1) the exemption of such organizations from:
 - (a) federal income tax;
 - (b) federal unemployment tax (but see ¶5 of "Explanation" below); and
- (2) the deductibility, for federal income, gift and estate tax purposes, of contributions to such organizations.

The 2004 Group Ruling is the latest in a series that began with the original determination of March 25, 1946. In the 1946 document, the Treasury Department affirmed the exemption from federal income tax of all Catholic institutions listed in the OCD for that year. Each year since 1946, in a separate letter, the 1946 ruling has been extended to cover the institutions listed in the current OCD². The language of these rulings has remained relatively unchanged, except to reflect intervening modifications in the Internal Revenue Code ("Code"). The 2004 Group Ruling is consistent with the 2003 ruling.

Annual group rulings clarify important tax consequences for Catholic institutions listed in the OCD, and should be retained for ready reference. Rulings from earlier years are important to establish the tax consequences of transactions that occurred during those years.

¹ A copy of the Group Ruling and this memo may be found on the USCCB website at www.usccb.org/leg.

² Catholic organizations with independent IRS exemption determination letters are listed in the 2004 OCD with an asterisk (*), which is explained at page A-6 and indicates that such organizations are not covered by the Group Ruling.

Dear Sir/Madam:

This responds to your May 19, 2015, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2015*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2015* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Dear Taxpayer:

This is in response to your Jan. 16, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in October 1997.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

EO DETERMINATION AIDE
Contact Telephone Number:
(410) 962-7756

Our Letter Dated:
January 16, 1986
Addendum Applies:
Yes

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(c) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

AT JACOBS WELL INC

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Guidelines under which private foundations may rely on this determination for gifts, grants, and contributions made after March 18, 1969, were liberalized and published in Rev. Proc. 69-23, Cumulative Bulletin 1969-1, page 344.

You are required to make available for public inspection a copy of your exemption application, and supporting documents, and this exemption letter. If you are required to file an annual information return, you are also required to make a copy of the return available for public inspection for three years after the return is due. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is a failure to comply (up maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 88-120, 1988-2 C.B. 454 for additional information.

1. Provide a description that addresses the entire scope of the proposed project.

According to Baltimore City's 2015 PIT Homeless Census, there were 2,796 people experiencing homelessness. The Reach Project provides Permanent Housing and supportive services to individuals and families. Upon entry, the typical client is homeless, has a disabling condition with a history of substance abuse, domestic violence, and/or mental health issues. To assist participants to succeed with employment, recovery, and housing, clients are encouraged to participate in the development of barrier reduction plans. Project REACH uses the Housing First approach to serve individuals who are in the most need of housing, which will include serving the chronically homeless, when appropriate. When possible, Catholic Charities' outreach and advocacy efforts help to prevent homelessness from being criminalized in our state. The project is part of Catholic Charities' systemic response to ending homelessness. Often clients of Catholic Charities are veterans, victims of domestic violence, and sometimes survivors of human trafficking, and we do everything possible to ensure these clients have priority for housing opportunities. We promote choice among our clients (such as participation in substance use counseling) and ensure that maintaining housing do not depend on those choices. Support services include:

Case Management: Our Project REACH Team uses the Motivational

Interviewing (MI) technique to deliver case management services. This goal-oriented, client-centered counseling style for eliciting behavior change helps clients to resolve ambivalence (from Wikipedia 10/13/2015).

Income Stabilization: All REACH clients are encouraged to participate in work-related activities, including volunteering and job readiness to increase their self-sufficiency. Catholic Charities Project REACH clients are linked to all public benefits for which they are eligible.

Life and Job Readiness Skills: To equip the adults with the skills to integrate effectively into the community, clients are encouraged to attend job readiness and life skills classes at Our Daily Bread Employment Center. Financial literacy and budgeting services are available through our Financial Stability Pathway, a partnership with MD CASH Campaign. Communications, goal planning, computer training, nutrition, meal planning, and other life-skills workshops are provided by Catholic Charities, Enoch Pratt Free Library, and non-partner agencies.

Medical/Mental Health and Addiction Services: Inconsistent medical care due to poor nutrition, stress, and an inadequate living environment all contribute to substance use, mental health issues, and chronic health conditions. Helping clients address these issues is part of the case planning process. Project REACH works with community based providers including: Total Health Care for Behavioral Health, Health Care for the Homeless for medical, dental and mental health services.

Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

1. Provide a description that addresses the entire scope of the proposed project.

Project Family Relocation, Empowerment and Self Help (FRESH) Start, (PFS), is a joint program of Associated Catholic Charities, Associated Black Charities, and The Associated Jewish Charities. PFS serves Baltimore City homeless families by providing permanent supportive housing and services that empower families to reach self-sufficiency. Referrals often come from Baltimore City Public School social workers with knowledge of homeless children and from Coordinated Access. PFS is adopting a Housing First model to serve those with the most need.

PFS serves families composed of single mothers with dependent children. The average participant upon entry into the program is a single mother with a disabling condition and has two children. These single parents have a history of substance abuse, domestic violence, mental health issues, lack of education, lack of marketable job skills, and inadequate life and decision-making skills, which tend to be major factors in these family's cycles of poverty and homelessness.

Case Management: Our Team uses the Motivational Interviewing (MI) technique to deliver case management services. MI is a goal-oriented, client-centered counseling style for eliciting behavior change by helping clients to explore and resolve ambivalence (Wikipedia, 10/13/2015). Clients meet with their case manager regularly, and are assisted to attain permanent housing.

Weekly case management sessions are held to monitor participants' progress. PFS Caseworkers meet with clients in their homes to monitor the family's progress toward independence. During these sessions, the worker and client review the family's budget and expenses; time management, child rearing, and conflict resolution skills with neighbors, co-workers, and family members; and the status of attaining their goals related to employment, sobriety, health, and mental health.

When working with clients who are able to work or available for classes, the caseworker helps locate employment and educational programs, assists the client with enrollment, and monitors progress toward completion. Clients also work with their caseworker to enroll in all of the public benefits for which they may be eligible. The caseworker assists the clients to complete the necessary paperwork and, if needed, sets up appointments with providers for the client. Money management is another focus area. Clients work with their caseworker to develop a money management plan that addresses payment of bills, savings, and debt reduction.

Partners: Baltimore City Public School System provides services for children; HCAM enrolls clients in Medicaid; My Sister's Place Women's Center offers emergency assistance; and Our Daily Bread Employment Center offers: Ex-Offender and Recovery support, which includes AA/NA programs and addictions counseling.

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

Instructions:

The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen "1A. Application Type."

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application

Project Name: This is pre-populated from the "Project" Form and cannot be edited.

Project Status: The default selection is "Standard," indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to "Appeal" in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen "8A. Notice of Intent to Appeal."

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

- Does the project quickly move participants into permanent housing?: This is a required field. Select "Yes" to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select "Yes" if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select "No" if the project does not work to move program participants quickly into permanent housing.)

1. Provide a description that addresses the entire scope of the proposed project.

"The Dayspring Permanent Supportive Housing Program provides tenant-based housing rental assistance and supportive services for 17 homeless families with a parent in recovery from substance abuse. Many parents also have a mental illness and/or have been a victim of domestic violence. Unaccompanied youth mothers aged 18-24 are now a target population for the program. Families are referred through the Coordinated Access System. Dayspring's Intake Case Manager meets with the adult to complete an intake assessment and ensure appropriate placement in a scattered site housing unit. The Case Manager (CM) meets with the family within 7 days of move-in and, with the client, develops a Family Plan that is reviewed every 90 days. Emphasis is placed on goals that lead to stabilization of permanent housing, addressing health, employment needs and providing a safe, stable and nurturing environment for children. Weekly or more often, home visits provide the family with support. Individuals may benefit from supportive services such as mental health or substance abuse counseling. The CM is proactive in using the family goals and other creative strategies to engage tenants in services, although participation is voluntary. The CM assists the family to find and keep employment and work toward upgrading employment to increase family resources. Dayspring offers a Job Readiness Program with on-the-job experience as a receptionist to familiarize participants with a work environment in a familiar setting. If the parent is unable to work due

to disability the CM will refer to appropriate resources. The CM provides information and encouragement for participants to access mainstream services to address their individual needs. A weekly support group at Dayspring's main location is available. Other family activities such as gardening, holiday parties, parenting education, tenants' council and other activities are held on a regular basis. The projected outcomes are (1) maintaining permanent housing for at least 2 years, (2) maintaining or increasing total cash income and, as appropriate, maintaining or increasing non-cash benefits, (3) remaining free of substance abuse. Mainstream and community-based collaborators provide a variety of support services that assist clients in meeting their goals. Housing is located in east Baltimore and is in walking distance to bus service, schools, health clinics and other city amenities. Housing stability and case management services are provided to all family members. The CM ensures that children are attending school and work with parents to assist them to advocate for their child's appropriate placement and services for special needs children. Assistance is provided to refer children to appropriate health and mental health services.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. 1. Provide a description that addresses the entire scope of the proposed project.

"The Dayspring Supportive Housing Program provides services for 60 families living in rental assisted units of permanent supportive housing. Families are homeless with a parent in recovery from substance abuse. Many parents also have a mental illness and/or have been a victim of domestic violence. Unaccompanied youth mothers aged 18-24 are now a target population for the program. Families are referred through the Coordinated Access System. Dayspring's Intake Case Manager meets with the adult to complete an intake assessment and ensure appropriate placement in a scattered site housing unit. The Case Manager (CM) meets with the family within 7 days of move-in and, with the client, develops a Family Plan that is reviewed every 90 days. Emphasis is placed on goals that lead to stabilization of permanent housing, addressing health, employment needs and providing a safe, stable and nurturing environment for children. Weekly or more often, home visits provide the family with support. Individuals may benefit from supportive services such as mental health or substance abuse counseling. The CM is proactive in using the family goals and other creative strategies to engage tenants in services, although participation is voluntary. The CM assists the family to find and keep employment and work toward upgrading employment to increase family resources. Dayspring offers a Job Readiness Program with on-the-job experience as a receptionist to familiarize participants with a work environment

in a familiar setting. If the parent is unable to work due to disability the CM will refer to appropriate resources. The CM provides information and encouragement for participants to access mainstream services to address their individual needs. A weekly support group at Dayspring's main location is available. Other family activities such as gardening, holiday parties, parenting education, tenants' council and other activities are held on a regular basis. The projected outcomes are (1) maintaining permanent housing for at least 2 years, (2) maintaining or increasing total cash income and, as appropriate, maintaining or increasing non-cash benefits, (3) remaining free of substance abuse. Mainstream and community-based collaborators provide a variety of support services that assist clients in meeting their goals. Housing is located in east Baltimore and is in walking distance to bus service, schools, health clinics and other city amenities. Housing stability and case management services are provided to all family members. The CM ensures that children are attending school and work with parents to assist them to advocate for their child's appropriate placement and services for special needs children. Assistance is provided to refer children to appropriate health and mental health services.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in October 1997.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

- Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select "Yes" or "No" from the dropdown menu.

- Use of a single application form for four or more mainstream programs? Select "Yes" or "No" from the dropdown menu.

- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select "Yes" or "No" from the dropdown menu.

- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select "Yes" or "No" from the dropdown menu. If "Yes" is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select "Yes" or "No" from the dropdown menu.

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. 6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

Addendum Applies:
Yes

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

GOVANS ECUMENICAL DEVELOPMENT

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

You are required to make available for public inspection a copy of your exemption application, and supporting documents, and this exemption letter. If you are required to file an annual information return, you are also required to make a copy of the return available for public inspection for three years after the return is due. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is a failure to comply (up to a maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 88-120, 1988-2 C.B. 454, for additional information.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.

If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen "1A. Application Type."

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select "No CoC."

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application

Project Name: This is pre-populated from the "Project" Form and cannot be edited.

Project Status: The default selection is "Standard," indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to "Appeal" in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen "8A. Notice of Intent to Appeal."

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

- Does the project quickly move participants into permanent housing?: This is a required field. Select "Yes" to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select "Yes" if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select "No" if the project does not work to move program participants quickly into permanent housing.)

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

1. Provide a description that addresses the entire scope of the proposed project.

Home Connections is a permanent supportive housing program that serves 60 single adults (men and women) who are chronically homeless and have one or more disabilities, supported by three HUD CoC grants. Home Connections III (the subject of this application) serves 60 clients; Home Connections I serves 28 clients, and Home Connections II serves 32 clients. Home Connections is a Housing First, no barrier program that accepts clients directly through the Baltimore City Coordinated Access system. By providing housing immediately, coupled with a supportive services model that focuses on relationship building and assertive engagement in services, Home Connections reduces the amount of time individuals are homeless, helps them maintain their housing long term, and improve their health and well-being. Clients access mental health, substance abuse and health services; however, use of these services are not a condition for receiving or maintaining housing. Our intensive case management approach includes an Intake and Engagement Case Manager is responsible for engaging clients on housing through an intake, and administering a structured assessment, working with clients to remove housing barriers and linking clients to permanent housing. Home Connections Case Managers meet with clients to develop an Independent Service Plan (ISP) that helps them identify resources, coordinate services, and support efforts to increase income and maximize independent living. Home Connections' clients experience mental health,

substance abuse, and/or health challenges, and are supported with access to providers of their choosing across Baltimore City. Home Connections partners with Health Care for the Homeless (HCH) Interdisciplinary Care Team to encourage and ensure that all participants in need of mental health, substance abuse services and/or health have receive these services. The partnership between Home Connections and HCH, ensures that all clients who need and want evaluation and treatment for their challenges have coordinated care and seamless access to services, in home and in the community. Home Connections has established relations with more than 25 landlords who offer scattered site housing in stable communities that meet HUD standards for rental assistance. Home Connections ensures that the apartments to be leased by clients are located in stable neighborhoods that contain a mix of community amenities. Home Connections also works with clients to identify community resources for food, clothing, and utility assistance, and offers ongoing guidance and support for community integration before, during, and after client placement. For the twelve month period from July 1, 2015 to June 30, 2016, 96.8% of Home Connections clients have retained or exited to permanent housing.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. 2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent".

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

The project is designed to work with the Housing First Model. Clients are identified/referred to GEDCO Justice Housing and information about their homeless histories, disabilities and HIV/AIDS status is confirmed. With the support of a case manager, housing is located and clients are able to move in to their own unit with new items needed for daily living. Clients and case managers develop goals together which ordinarily include medical, mental health and substance abuse treatment. Clients may need support to obtain benefits including SNAP or Moveable Feast, Social Security and may also look for vocational activities to create structure in their newly stabilized situations. Goals of budgeting for utilities and food need to be developed. Outcomes are best achieved through coordination with other provider agencies, landlord communication and conscientious case management.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

GOVANS ECUMENICAL DEVELOPMENT

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Clients may need support to obtain benefits including SNAP or Moveable Feast, Social Security and may also look for vocational activities to create structure in their newly stabilized situations. Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select "Yes" or "No" from the dropdown menu.

- Use of a single application form for four or more mainstream programs? Select "Yes" or "No" from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Additional Resources can be found at the HUD Resource Exchange:

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select "Yes" from the dropdown for this question. The project applicant will then have the ability to enter an amount in the "HUD Paid Rent (applicant)" field that is less than the amount listed in the "FMR Area (applicant)" field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC's HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at <http://www.huduser.org/portal/datasets/fmr.html>.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select "No" above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as "Actual".

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding "HUD Paid Rent" and by 12 months. If the applicant selected "No" above, the automatic calculation will be based on the FMR and not the "HUD Paid Rent."

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Addendum Applies:
Yes

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

GOVANS ECUMENICAL DEVELOPMENT

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

You are required to make available for public inspection a copy of your exemption application, and supporting documents, and this exemption letter. If you are required to file an annual information return, you are also required to make a copy of the return available for public inspection for three years after the return is due. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is a failure to comply (up to a maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 88-120, 1988-2 C.B. 454, for additional information.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.

If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

Project Status: The default selection is "Standard," indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to "Appeal" in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen "8A. Notice of Intent to Appeal."

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

- Does the project quickly move participants into permanent housing?: This is a required field. Select "Yes" to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select "Yes" if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select "No" if the project does not work to move program participants quickly into permanent housing.)

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "7. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "6H. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "6H. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Dear Sir/Madam:

This responds to your May 19, 2015, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2015*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2015* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in black ink that reads "Tamera Ripperda". The signature is written in a cursive, flowing style.
